My dear Lord Mayor

### **Better Bikeways for Brisbane Information Request**

Space4cyclingBNE is a coalition of Brisbane's grass roots cycling advocacy groups with the aim of making cycling an issue for all levels of government. We share a vision for Brisbane where it is easy, convenient, and safe for people of all ages and abilities to walk or ride a bicycle to their destination.

As mentioned on Council's website, \$220 million has been spent since 2008.<sup>1</sup> We note that three projects have been completed so far in the 2016/17 financial year.<sup>2</sup> We are interested in providing our members with a more comprehensive view of Council's commitment to cycling through the bikeways program. To facilitate this, we request the following information about cycling projects completed in the program since 2008.

- Project title
- Description
- Dimensions - length/width
- Location (GPS start & end), linked to the PLANT\_STRU field of the "Bikeways in Brisbane City" Open Data set
- Completion date
- Contractor
- Budgeted cost
- Actual cost
- Funding sources other than Council, and amount contributed

We look forward to your response at your earliest convenience.

Yours sincerely

Dr Richard Bean  
Co-convenor
