Dear Mr French and Dr Bean

Thank you for your submission on the Draft Transport Plan for Brisbane – Strategic Directions (the Plan).

I appreciate the time you have taken in preparing your submission. A great number of responses have been received on the Plan during the consultation period and your submission will be taken into consideration as part of the review of public feedback.

The final plan will be released later this year following this review, accompanied by a feedback report outlining how the issues raised during consultation influenced the finalisation of the plan.

The new plan will reflect Council's commitment to ensuring that the transport networks support Brisbane's vision for a connected city – where transport enhances liveability, supports business and investment, takes advantage of new technology and delivers integrated and flexible solutions.

I trust this information is of assistance and thank you for taking the time to contact me.

Yours sincerely

Graham Quirk  
**LORD MAYOR**
