GPO Box 2104  
BRISBANE QLD 4001

Dear Dr Bean

Thank you for your letter and supporting information of 28 August 2018 about the Move Safe Brisbane consultation.

Road safety for all users is of the utmost importance to Council and is the driving force behind this aspect of Council's citywide pedestrian safety review. I have forwarded the feedback you provided from CBD Bug onto our Transport Planning and Strategy (TPS) team for their review and I appreciate the effort which has gone into collating this.

The consultation has now closed and feedback received is being used to identify and prioritise safety improvements for both pedestrians and cyclists in conjunction with data from the Queensland Police Service crash database. It is anticipated that the report on key outcomes will be provided later this year.

If you have any further enquiries regarding this matter, please contact Mr Myles Fairbairn, Policy, Strategy and Planning Manager from TPS, on 3403 7907.

I trust this information is of assistance and thank you again for providing your feedback on this important issue.

Yours sincerely

Graham Quirk  
**LORD MAYOR**
