Dear Dr Bean

Thank you for your email of 10 December 2018 about on-street carparking in a bicycle lane on Gladstone Road, Dutton Park.

I acknowledge your feedback about the difficulties on-street parking can pose to cyclists and asked Council's Transport Planning and Operations (TPO) to investigate.

I understand Mr Kiran Sreedharan, Senior Transport Network Officer from TPO, spoke with you on 16 January and advised that Council will be installing parking restrictions in the vicinity of 269-271 Gladstone Road. It is anticipated the works will be completed before the end of February. Please accept my apologies for the delay in finalising this matter.

Council will continue to expand active transport facilities across the city through the Better Bikeways 4 Brisbane program. The support of Brisbane's bicycle user groups to achieve positive outcomes in this regard is appreciated.

I trust this information is of assistance. If you have any further enquiries regarding these works, please contact Mr Sreedharan on 3178 1178.

Thank you for contacting me.

Yours sincerely

Graham Quirk
