Dear Dr Bean

Decision: Application for access to documents about bikeway expenditure

I refer to your Right to Information application 2019/20-2, received by Council on 1 July 2019, seeking access to information pertaining to bikeway expenditure between January 2016 and 30 June 2019, as follows:

“Better Bikeways for Brisbane cycling projects completed since 1 July 2016. For each project:

- *Title*
- *Description and type*
- *Location, with length on and off road*
- *Completion date*
- *Contractor*
- *Budgeted cost*
- *Actual cost*
- *Funding sources other than Council and amount contributed.”*

I note that with your application you submitted a decision from the Office of the Information Commissioner (OIC) declaring that for the period of one year from 17 June 2019, CBD BUG is a non-profit organisation with financial hardship status. The effect of this decision is that any processing or access charges that would have applied to application 2019/20-2 must be waived.

Following an investigation of your application, I have been provided with four pages of documents that are relevant to your application. These pages are tabs from a larger excel spreadsheet.

My decision

After consideration of the contents of the above described four pages of documents, I, as the Officer directed by this Authority to deal with your application on its behalf pursuant to Section 30 of the *Right to Information Act 2009* (RTI Act), have decided to release these four pages of documents in full.

Review rights

If you are unhappy with my decision, you are entitled to seek an internal review and/or an external review in accordance with the RTI Act. Your application for either internal or external review must be in writing and lodged within 20 business days of receiving notice of my decision. A copy of the relevant sections from the RTI Act is enclosed for your information, as is a copy of the Office of the Information Commissioner's information sheet on review rights.

Yours sincerely
