Dear Sir/Madam

Bulimba Creek Bikeway stage two project

As part of Brisbane City Council's \$100 million investment in bicycle infrastructure, Council is pleased to announce the commencement of community consultation for stage two of Bulimba Creek Bikeway through Wishart and Eight Mile Plains will shortly commence.

Council has commenced initial design of stage two of the bikeway and is seeking feedback from the local community on this draft design.

The new section of bikeway will be a three metre wide shared pathway, linking into the local street network.

Bulimba Creek Bikeway stage two will involve:

- linking the existing bikeway near Bluegrass Crescent in Eight Mile Plains to the bikeway near Boyanda Street in Wishart, travelling through Wishart Community Park and along Maibry Street
- installing a 1.2 metre footpath along Maibry Street, from Kavanagh Road through to Wendy Place, to link the bikeway through Wishart Community Park to the new section of bikeway along Maibry Street
- constructing a 17 metre pedestrian and cycle bridge over Bulimba Creek near Blue Grass Crescent.

Feedback will be fed into the planning process to ensure the community has input into the final design.

Community consultation will continue through to early 2009. Construction of the bikeway is anticipated to commence January 2009, after feedback has been reviewed and considered.

You can view the draft bikeway design, and discuss any issues with Cr Krista Adams, at the Wishart Ward Office, Ground floor, 2072 Logan Road, Upper Mt Gravatt.

If you have any questions about Bulimba Creek Bikeway stage two project, or would like to meet with the project team to discuss the project in more detail, please call the project information line on 1800 199 757 or Cr Adams on (07) 3403 7791.

Yours sincerely

Michael Marlow
