Dear Paul,

My contact with you refers to a letter sent to the Office of the Lord Mayor of Brisbane regarding a number of issues relating to cycling in our city.

Part of your comments relating to vehicles making three point U turns on Leopard Street and further the offences committed by vehicles turning right into Ellis Street from Leopard Street have been referred to me as the Officer in Charge of Dutton Park Police for attention.

In relation to the illegal turn into Ellis Street, this issue is in fact regularly enforced by members of the QPS.

With regard to your allegation of illegal turns over a continuous line, can you please provide more specific intelligence as to day and time that this appear to be occurring as this specific occurrence has not been raised before. Your information will determine the level of task allocation for patrols.

I look forward to your response.

Kind Regards

Greg Bishop APM
