Dear Paul and Kate,

It is with significant regret that I am resigning my position as co-convenor of CBD BUG, as I will soon be moving overseas.

I intend to continue as a member of the BUG and to stay in touch with the BUG's activities, but I will no longer be able to attend meetings nor devote sufficient time or attention to continue in my current position.

Thank you for your substantial efforts as co-convenors. I have no doubt that through the continued dedication of yourselves and others the BUG will continue to grow and achieve even greater successes than it already has.

Yours sincerely,

Ian Lister
