Brisbane QLD 4001

Dear Mr French

Tennyson Riverside Park Start of construction on stage one

Brisbane City Council is pleased to advise that construction of the new riverside park at Tennyson is planned to start in late April 2012. The new park will be located on King Arthur Terrace, opposite the Queensland Tennis Centre.

The park will be constructed in two stages as follows:

- **stage one** will include the majority of the park area including the play space, amphitheatre, public plaza, picnic facilities, paths, internal car park and the on-street parking along King Arthur Terrace – this stage will start soon and is expected to be completed by late 2012/early 2013 (subject to favourable construction conditions and weather)
- **stage two** will complete the western side of the park site – this stage is expected to start in mid 2013 and be completed in late 2013.

The public pontoon (for non motorised craft) may be delivered outside these timeframes, subject to budget and approvals.

Construction will take place during standard working hours between 6.30am and 6.30pm, Monday to Saturday.

Local residents and motorists may notice some construction noise, increased truck movements, temporary lane closures and changes to pedestrian access during the works.

Every effort will be made to minimise impacts to the community and further letters will be provided to notify you in advance of any significant impacts you might experience. We apologise for any inconvenience caused and appreciate your patience during this time.

If you have any questions about this work or would like more information, please call the project information line on 1800 010 705 or email cityprojects@brisbane.qld.gov.au.

Yours sincerely

Rob Mackay
