Dear Mr French

I refer to representations made on your behalf by the Premier of Queensland, the Honourable Anna Bligh MP, regarding the planned safety audit of the area under the Riverside Expressway.

Although Council is keen to encourage commuter cycling, this area is owned by the Queensland Government and the announced safety audit will be managed by the Department of Infrastructure and Planning. It appears that the Premier's office has referred your letter to me in error, and I have now referred it back to Mr Greg Polkinghorne, Director Government Development Projects, at the Department of Infrastructure and Planning. I apologise for the inconvenience this has caused you.

Thank you for contacting the Premier about this matter.

Yours sincerely

cm
Campbell Newman
