Dear Mr Tauchmann

Thank you for your submission on the draft Terms of Reference (ToR) for an Environmental Impact Statement (EIS) for the Northern Link Road Tunnel Project (the project).

The draft ToR was publicly advertised on 1 December 2007 in the Courier Mail, and local newspapers the following week, inviting comments by 31 January 2008. A total of 26 submissions were received from the public and Advisory Agencies. All comments received have been considered and, where appropriate, incorporated in the ToR.

The ToR for the EIS are attached and are also available on the department's website at [www.dip.qld.gov.au/projects.html](http://www.dip.qld.gov.au/projects.html)

When an EIS has been prepared to the satisfaction of the Coordinator-General, a copy will be provided to you and you will be invited to make a submission. The release of the EIS will also be publicly advertised in state and local newspapers and on the department's website. Brisbane City Council, the proponent for the project, will also undertake an extensive public information program at various community centres in the vicinity of the project.
