Dear Mr French

**Traffic issues by the Goodwill Bridge**

Your letter to the Lord Mayor (Ref: LM07323-2010) about traffic issues by the Goodwill Bridge has been forwarded to us.

I believe since sending this letter, you have been involved in an on-site meeting where the issues were discussed at length. South Bank Corporation will be reviewing the recommendations from this meeting and take appropriate action.

The safety of our visitors is of outmost importance to us, thank you for raising your concerns.

Please feel free to contact me or my colleague Matthew Lawson, Manager, Urban Design & Development, who you met at the meeting, on the details below if you have any further questions or concerns. While we regularly liaise with Brisbane City Council, we are the planning authority for South Bank and encourage locals and visitors to let us know about any concerns they may have directly.

Kind regards
